

Oregon State University Extension Service Gardening Publications

The Oregon State University Extension Service has a wide selection of gardening publications that the public can view and download at the following website:

<https://catalog.extension.oregonstate.edu/>

Some publications that may be of interest to OSU Master Gardeners that pertain to soils and soil amendments include:

EC 628	A Guide to Collecting Soil Samples for Farms & Gardens
EM 8677	Laboratories Serving Oregon: Soil, Water, Plant Tissue, and Feed Analysis
EC 1278	Fertilizing Lawns
EC 1478	Soil Test Interpretation Guide
EC 1503	Fertilizing Your Garden: Vegetables, Fruits, and Ornamentals
EC 1560	Acidifying Soil for Blueberries and Ornamental Plants in the Yard and Garden: West of the Cascade Mountain Range in Oregon and Washington
EC 1561	Improving Garden Soils with Organic Matter
EC 1627	How to Build Your Own Raised-Bed Cloche
EC 1629	Mulching Woody Ornamentals with Organic Materials
PNW 646	Soil Fertility in Organic Systems: A Guide for Gardeners and Small Acreage Farmers
FS 270	Raised Bed Gardening
FS 304	Cover Crops for Home Gardens

There are additional publications on a wide array of topics. Most of these can simply be viewed and printed, however there are a few that must be purchased and ordered from OSU .
