

It was great to have another opportunity to share information with the Master Gardeners!! Below and attached are resources mentioned during my talk. Please encourage students to contact me at (541) 686-7898 or fern.jacqueline@deq.state.or.us if they have questions or need additional info/resources.

1) **Oregon Raingarden Guide:**

<https://seagrant.oregonstate.edu/file/376/download?token=E7k-EFWa>

2) **Oregon DEQ Water Quality Data Links:**

<https://www.oregon.gov/deq/wq/Pages/2018-Integrated-Report.aspx>

3) **Gardening with Natives West of Cascades:**

Downloadable version under “Publications” at site below:

<https://catalog.extension.oregonstate.edu/sites/catalog/files/project/pdf/ec1577.pdf>

4) **GardenSmart Oregon: A Guide to Non-Invasive Plants**

<https://www.nature.org/media/oregon/gardensmart-rev-2010.pdf>

5) **Harmful Algae Bloom – Citizen Science and Background Information** HABs Citizen Science

<https://cyanos.org/bloomwatch/>

OHA Cyanobacteria Resources

<https://www.oregon.gov/oha/PH/HEALTHYENVIRONMENTS/RECREATION/HARMFULALGAE/LOOMS/Pages/index.aspx>

6) **Oregon Water Resources Department’s Groundwater Administrative Areas**

<https://www.oregon.gov/OWRD/programs/GWWL/GW/Documents/GWAdminAreasTable.pdf>
