

## **Hanging Baskets**

These 10 inch baskets will be in bloom, so you can see the colors you're selecting:

Calibrachoa

Mixed

Fuchsia

There will also be 4 inch potted hardy fuchsia starts, 5 different varieties available. We will also have hardy fuchsias in gallon pots, varieties to be determined 2 weeks before the sale.

Hardy fuchsia starts are not for hanging baskets. These plants are cold-hardy perennial landscape plants that will flower through each summer with beautiful fuchsia blooms covering the bush.

An on-the-spot Master Gardener will be happy to help if you want help looking them up on a smart phone for color choices.
